

Various of paulownia seeds for supplying

I am Anna, from China. We can supply paulownia seeds, roots and other paulownia wooden crafts.

There are many different species to choose, paulownia tomentosa, paulownia elongata, hybrid 9501 and so on, you can choose the best species for your own area. different species suit different area.

Now, let me introduce this kind of seeds. Looking at the below picture:

Heze Fortune International Co.,Ltd.

Yes, this is paulownia seeds, like a capsule. Do you know?

there is more than 1,000 seeds in this capsule. We will get the seeds from their.

This needs our a lot of work. Then we will get this, please see the picture:

Haha, Is it interesting? Yes, this is what we sell now. light weight and pure paulownia seeds.

We promise we can give you the best quality seeds with certificate and technology.
